“ *I was privileged to know Mrs Anne for many years. I worked as Dental Assistant where we were blessed to have her as a patient for many years. She was one of the most pleasant and kind people I have ever known. I never remember a time that she didn't have a smile and a kind word for everyone. She was always laughing and made everyone's day brighter. She was a true Christian lady that lived her faith. May the Lord bless all of you and count yourself blessed to call her wife, Mom, and Grandmother.*
