“ *Barbara was a sweet lady! She would message me and asked me about my mom when she was sick. She cared about others when she was sick herself. She would comment on my pics and how I am going to miss her. I have known her quite some time and now she is gone but not forgotten!!! I will miss talking to her from time to time. I prayed for her to come home but it breaks my heart knowing that she is in heaven now.*

*I'm sending TONS of prayers to the Akers family and friends...*
