“ I know you will miss Betty. She lived life with such joy. She knew Jesus as her Lord and Savior, so you can be with her again one day if you trust Him also. Your family was special to us. My parents loved sharing their lives with Betty and Buster and they loved all the children. May God continue to bless you all as you face this journey of life without her. Always remember how much she loved you. My prayers are with you.

“ Condolences to the family of Mrs Betty Mason!! My prayers are with you all during this time. I went to school with Kenny and i want him to know that a i lost my mother a year ago, and i can tell him that time does heal the pain, although the memories will keep her alive in your heart as long as you keep her fresh in your mind. “ My thoughts and prayers are with you Teresa and Steve and all the family of Mimmi Mason. She sounds like a lovely lady and I know God welcomed her with open arms into Heaven and that has to be a comfort to the whole family. I know you all will miss her so much but that's why God gave us memories. Call upon them and know that you will meet again. That's a sweet gift God has given us if we have accepted his Son.
