“ It was a pleasure to work with Betty at the Tennessee Department of Education. She was always pleasant and cordial. Regrettably, we’d lost touch the past few years, but I always think of her on her “almost Christmas” birthday, and recall her love for little Annabelle. My your family is in my thoughts.
With Sympathy,
Sandra Gray

“ It was a pleasure to work with Betty at the Tennessee Department of Education. She was always pleasant and cooperative. Unfortunately, we’d fallen out of touch the past few years, but I always remember her “almost Christmas birthday” & her stories of her beloved Annabelle. I’m sorry to hear of her passing. May faith, family, friends, & fond memories of happy times with her sustain your family now.
With Sympathy,
Sandra Gray
