“ *Ms. Beverly was a blessing in my life. We worked together at Walmart. When she first started she would ask for my help. Then I would get that beautiful grin. I love her so. I will miss her sweet soul forever.*

“ I am so very saddened to hear of Beverly’s passing. We grew up together from a very young age and went through 12 years of school together. We spent a lot of time at each other’s homes in those years. Though we didn’t get together often after high school we kept in touch every so often throughout the years. She was a hard-working, sweet, big-hearted person. She had such a hard time with Travis’s death so I know she’s rejoicing to be with him as well as her mom & dad. My prayers go out for her family as I know she will be missed greatly. Love & blessings,

“ Oh my God, my heart is broken to hear this news. Beverly was a childhood friend whom I spent many ,many nights with growing up. I remember the day she saved her dad's life. I remember her mom, dad and aunt that lived with them. Since Beverly was an only child they thought the sun rose and set in her. So many memories and such sad news for the family. My prayers are with the family. RIP my friend.
