“ *I was so very sorry to hear of Billy's death. While I have not been around he and Tootsie in recent years, I treasure the memories and good times we shared in times past. My heart hurts for Tootsie and all of her family. I know sister Helen feels the pain as well. At a time like this, I don't have the words to ease your hurt, but I do point you to the ONE who does. Our Lord will be with you day and night until that Grand Reunion one sweet day. May God comfort your hearts.*
