“ Calvin was a good man he rented me and my two kids a place when we had no place to call home. He also helped me and my husband get together and we have been married 18 years. He was always smiling and very friendly and could make you laugh. He will be missed

“ I have been collecting email addresses for partial unemployment purposes for SUMMIT. I remember at the Christmas Party 2018 at SUMMIT Constructors, Calvin would come up to me and say, "Mrs, Melanie, I do not own a computer and I do not have an email address." I told him that, that would be okay. I had given him a hug and wished him a Merry Christmas. Calvin was the sweetest man at SUMMIT. He could always put a smile on your face. Calvin, you will be very much missed.
