“ Our thoughts and prayers are with Cindy, Jackie and all the family. We just loved Ms. McGibboney. Each year for the past several years we have been visiting the nursing home on Christmas Eve and delivering Christmas Cards to the residents. A couple of years she had her baby doll with her. I noticed this year when we visited she did not. We were able to talk with her for a few minutes and I told her I used to work with Cindy and Jackie. She always seemed pleased to know that I knew and had worked with the two of you. We will continue to keep you all in our thoughts and prayers. She will always be with you in your heart and memories.

“ My love and prayers are with you Cindy and Jackie. I know Granny lived a long life and you were blessed to have her this long on Earth with you but her Heavenly home is rejoicing now. I know Sue is happy to see her Mom. Love you all and lots of great memories visiting with Granny through the years. Thanks for sharing her with me.
