“ I really hate to hear of Shannon's passing. I worked along side of Shannon at the Gordonsville Police Dept in 2003 and 2004. I was a super green rookie back then and would ride with Shannon even on my off time to learn from him. He was a good Police Officer back in the day. I left Gordonsville October of 2004 and only seen Shannon once since then. I remember his humor and laughter well. He was a good friend to me when others weren't. He will be dearly missed.

“ I want to send my heartfelt condolences. Shannon and I were very close friends in school. Even though I haven't seen him in 29 years this has really hit me hard. I have tried to locate Shannon for many years and wish I could have found him and spoke to him before he passed. I now live in Canada so trying to locate him has not been easy. My prayers are with each of you. Shannon was a good lifetime friend and he will be forever missed. He touched my heart many years ago. God Bless you!
