“ Todd was in my home room classes in school. He always was so sweet to me, even though the current years. I'd see him at places and he'd say "well Misty Bandy, what's up?!" I had gotten chunky fat for a few years and he'd tell me "Misty Bandy!, you're fat now". lol!!! Anyways if someone was being rude to him and I witnessed it, I'd take up for him. He really didn't need me to do it because he'd fire his thoughts right back at the person!! He was always the sweetest person to me. I'm sad he's no longer with us!! Saying prayers for family and friends!!

I worked with Todd at Lowe's back in 1999. Never a dull moment with him. He was a hoot. So fun to be around. People would say "Todd you ain't right!" and without skipping a beat, he reply "but I ain't wrong neither!"

*Rest in Peace brother
You were a good hearted guy*
