“ I'll never forget our times together in the woods. Cutting firewood may have been our purpose, but the friendship, laughter and brotherhood kept us warmer than any log we brought to the fire. Sharon and I are so grateful that the four of us had such a wonderful meal in your home together a few weeks ago.

“ When we lived in Carthage Dennis was always a phone call away for us and he would be there for us not matter what time it was. He helped us keep our grass mowed and didn't charge us much at all to mow.

One time we had an emergency with the plumbing pretty late at night and he came immediately.

Kevin and I will never forget coming over Dee and Dennis for dinner and how big Dennis had made the hamburgers. I put it up to my face and it was bigger than my face. All i could saw is WOW!!!!

We will never ever forget Dennis! He was a great man who loved his family and was always will to give a friend a helping hand. 90 percent of when we chatting he always mentioned something about fishing! We love and will miss you Dennis~ Kevin and Tuesday Smith
