“ I worked with Don, we called him Monk, it didn't matter if it was the 4th of July and 100 degrees we would be washing down the precipitors and it would fill lake it's 20 below. Going to miss him. A good friend.

“ I don't ever remember ever seeing Monk in the powerhouse when he did not have a smile and a greeting for his coworkers. I always enjoyed shooting the breeze with him due to his wry sense of humor! My most profound condolences to his family. May God bless and comfort each of you, Billy Donoho
