“ I am overwhelmed to learn today of the loss of Donna. She has been a stalwart with us as we produce www.mboro-internateional-fofkfest.org each year in Murfreesboro. She has served on our Planning Committee and also served as as guide for our international troupes, including for our June, 2025 event. She also has traveled and performed for years with our Cripple Creek Cloggers. She was preparing to travel in August to festivals in Portugal, but was too ill to go. More than all this, she has been a true and supportive friend, I send my deepest sympathy to her sons and granddaughters, whom she loved so much.
