“ To my dad. Best father one could ever have. You mean the world to me and always helped me out when I wasn't able to do something or needed to have something done. I love you very much and will miss your quirky attitude. I am proud that I am your daughter.

“ Eddie always treated me and my son like family and I always thought of Eddie as a father in law. I'm glad I fell in love with your daughter 12 years ago and had the opportunity to meet you and the rest of the family. I will miss your sense of humor and straight forward answers. I will also miss all the fun we had at the casino together. You will truly be missed but not forgotten.
