“ *To the family. I worked with Liz at the hospital. She loved her boys and her grandbabies. She was a fantastic co-worker. I am heartbroken to say the least, my thoughts and prayers are with her family at this time. During our holiday office celebration this year, she created the best IT Pictionary game for all of us to play. She created so many laughs and that will be my lasting memory of her. - Brandi*

“ *Miss you my cousin Liz and all the time we played in the creek behind MeMa's and Pa's house. I'm glad I got to live here as an adult and had each other back then. Time gets away from us and before you know it taken away from us way to soon.*
