“ Jessie and frank gaddis of Panama City fl. Just wanted to say how much we loved your mother. We are going to miss talking and laughing over the phone. She made the best pinto beans in the world.

“ Know you are in our thoughts and prayers. We loved our long telephone conversations about all the Club Springs community news. My mom is grieved that she could not be there due to recent illness, they grew up together. My grandmother “Birdie Nixon” loved her dearly and looked forward to weekly visits. She knew a lot about the Nixon heritage, shared census info with me and was on a mission to help me find a portrait of my grandmother Birdie. We will be donating Bibles in Ms. Ernestine memory.
