“ I remember when we were young he came to our house on a motorcycle, I was scared to get on it until he promised me he would go slow. Well you know we went slow, it was a good ride. That's my memory of him.

I was sorry to hear of Frankie passing away. I remember him as friendly and very polite at all times. I wish to offer condolences to the entire family. Ms. Veleda and Cynthia always showed a warm smile when I was growing up and they never met a stranger. Frankie, I see was a year older than me and married my cousin Loretta Valentine. I lost track after moving away, it is truly a mystery how time goes. I will keep the family in prayer but remember, God always knows best.
