“ We lost one of the sweetest souls to ever walk this earth last night, she is now in heaven with her sisters having the biggest Swan Reunion EVER!! When we lost my Mother in law - her sister, Wanda a few years ago, she was so distraught at not having a sister close anymore and so I became her adopted sister... I LOVED getting phone calls from her that started with, "Hello sister, just thought I'd check in with you"...

She, her daughter Kathy Hale and her granddaughter Nichole Hale Overstreet were inseparable - and spent every single day together... My heart just weeps for them, they are left with such a huge, unfillable void in their lives...

We all have years and years of the sweetest memories, which we will hold tight to and try to find a bit of comfort in... but our world will never be quite as sweet as it was with Aunt Rebecca in it.

Love you always Aunt Rebecca, my adopted sister, I will keep your phone number in my phone in hopes that maybe you can make calls from heaven, "just to check in"..
