“Oh, the many times she kept our pup Fancy! The initial time was 17 yrs ago when she was a baby. During that time Fancy developed parvo and Hazel took her to Mt. Juliet where they saved our sweet pet. Hazel was the most caring soul. She will be sorely missed.

“ Hazel was one of the most tender, caring people I had the pleasure of calling my friend. I am honored to have had her in my life for many years. I was the proud mother of two of her fur babies, Booboo and Yogi. I know heaven is proud to have her there with James. Such wonderful people. We love you, Hazel. Bill and Margaret Dixon.

“ Game time was a must for aunt Hazel. Card playing and bingo and her fur babies was the most important things to her and her close family. I remember as a small child that every time I did something good I got to pick a button lol. She also gave me my very first chocolate. She taught me how to clip dogs and I won a 4-H contest demonstrating that.
