“ Vicky, I am immensely saddened to learn of Lynn's passing. I offer my most sincere condolences to you and his boys. We haven't communicated much in the past few years but I certainly considered him a good friend and former colleague. May God bless and strengthen you in your loss. Respectfully, Ron Haynes

“ Vicky I am so sorry to hear of Lynn's passing. I knew and worked with Lynn at Cumberland City Steam Plant and later at Sequoyah Nuclear Plant. We were good friends in the 1970s era both on and off the job. When we ended up sitting at the table with you all in Granville, that is the first time I had seen Lynn since our Sequoyah days and what a surprise for both of us. Also enjoyed our dinner with you all in Cookeville.

Lynn was a very intelligent person, had a very successful career and I always considered him a good friend. So sorry for your loss and please accept our condolences.

“ Vicki: You shared with me back in December about his illness. I am so very sorry. I know how "big" you love, and I know you are hurting "big" too. I pray God will sustain you and walk closely with you and your family during these days. May God's presence be so very near and may His faithfulness remain. God bless you all. Much love.
