“ *June was one of the kindest and giving women I have ever known. I can still hear that laugh that only she had. When I rededicated my life to the Lord in the early 90's, June was a friend who prayed with and for me. Her door was always open for anyone in need. She made this world a brighter place to live in. Mandi and David were friends with 2 of my children, and like June they were kind and laughed as she did. Truly, she will be missed, but I know that one day I will see her again, and hear that laugh that we all loved.*

Way back in 1974, June came and got me to go & sign up as a volunteer for the Red Cross, when a tornado hit Putnam County. She had arranged for us to spend the night at the church when the deadly storm hit. She will forever have a special place in my heart.
