“ I am so sorry to hear of your Mother's passing. I met her last year in Carthage TN. at the beauty salon. She and I became acquainted there The first time I saw her I opened the door for her to enter the beauty salon and she looked at me and said "How Do You Keep Your Lipstick On Like That" ? From that point on we always had talks and enjoyed each others company while we were getting our hair styled. Your Mother had the prettiest hair and every time I saw her all of her outfits matched perfectly. She loved my story about how my teenage sweetheart reconnected and were married last year. Last Friday she was already at the Beauty salon when I got there and she said "I was just thinking about you this morning and she immediately wanted to know how my marriage was going. She was a delight to be around and I will miss seeing her. Such a beautiful elegant precious Lady I will miss you Ms Katherine
