“ *I remember the first time I held you , I didn;t really wanna give you to your Aunt Elaine but I knew I was being selfish, after all , she hadn't held you yet...but soon as I could, I got you back into my arms and wished silently that I could take you home with me:) You brought new life into this old soul , I would have seen you Everyday if I could have .I Know your beautiful smile is a little wider now, your beautiful blue eyes , just a little bluer now and Jesus is a whole lot richer now all because YOU are there.. I said it before and I will say it again, sometimes there are things just too precious for this ole world and you my sweet precious Great Great Niece was certainly at the top of that list. I thank God for loaning you to our entire family for 7 sweet months,What a brief but Beautiful Blessing you were. Your memory will live on in this old heart forever. I LOVE YOU KAYLEIGH HOPE and look forward to seeing that sweet smile and those beautiful blue eyes again..some sweet day .. Until then baby girl...
