“ *Mr. Boss was a larger than life mentor to me through the years, whether it was at Bridgestone, or through church. He will be surely missed by me and my family!*

“ *I am really saddened by Larry's death. He and I were best of friends in high school at Morrison, TN. We rooted fervently for the Commodores and for the Dodgers! I drove to Alexandria earlier this year to give Larry a Walker Buehler bobblehead that I had gotten at Dodger Stadium a few weeks earlier. I will miss Larry very much. A chunk of my heart will need mending. My sincere condolences to Betty and to Katina and Joey and Larry's grandchildren and also to Larry's brother, Phil, and to his extended family. My friend will be sorely missed.*
