“ I've been a member of the SCRCF for about a year and a half and Larry was one of the first people I met. Since RC flying was new to me, I had a lot to learn. Larry was the kind of person I could go to with a question and no matter what he was doing he would always respond to me in his usual friendly, smiling manner. I will miss his presence greatly. Rest in peace, my friend. Bill Vardeman

“ I have known Larry since 2004. I met him at the flying field in Castalian Springs. Larry was the first to speak to me when I found the field and was roaming around. I think we have been friends since that day. I liked Larry and we had many laughs together, sometimes at someone else' s expense. Just Saturday we shared good times and fellowship. it took the breath out of me this morning to hear the tragic awful news. I loved Larry, and will miss his smiling face at the field. it will never be the same. My condolences and prayers go with the family, and I look forward to seeing " Cotton Top " again, when we meet up high. May God Bless you all in your time of grief. James
