“ *I was stationed with Larry at the Bottoms Fire Station (Truck 9 B shift) I was the Fire Assistant Chief. Larry was well respected by all his fellow firefighters. an excellent fire engineer. I had a great relationship with Larry. I did not realize he was sick. I would like to know what caused his death if you don't mind sharing that information (cmvfireasst@comcast.net) It leaves an empty place in my heart and I am sad. I know that GOD is watching over you his family and that JESUS will wrap his arms around you and care for you, comfort you and bring you much love. May GOD Bless each of you in this time of mourning. GOD BLESS Charles M. Vance*
