“ I had known Lela most of my life. We started working together at Johnson’s retirement in Lebanon. We worked together there about 14years . We also worked together at Blairview care home for about 14years. Lela was a wonderful & dedicated worker who never slacked on her duties. Was very loyal& loved with the clients. She was also a wonderful cook. We swapped books as we both loved to read. She was a mother figure to me & I appreciated her wisdom. Her words when she had been hurt or did wrong by someone was, I’ll leave it alone cause they’ll have to answer for that. You will be sorely missed Lela. I love you.
