“ My name is Nancy,I had befriended Leo over a year ago...he really inspired me,he always talked good things about his mom and grandma,had a strong faith in God,and his word,I brought him a warm home cooked meal on Thanksgivings and Christmas's...he was struggling and didn't have much at all,but,if he liked you,he would literally give you the shirt off his back ...i had once ran out of gas,he offered me the only money he had to his name to help me,if I needed it..\$.5.00,I told him that was very thoughtful and thanked him but to keep it,,that I did have gas money.and another time I needed my vehicle to be jumped off,after a whole day of hoping someone would stop and help me,he walked by and seen me,and stopped what he was gonna do,and walked to nearest store and asked everyone he knew,took him a while,but didn't stop til he got someone to help me... Very unselfish,caring,giving guy...really hurt him how he was laughed at and mistreated and in fairly judged by people,but still held his head high,and said",God is my only Judge!"..he Loves me just like everyone else..he really inspired me,I really miss my friend
