“ My prayers go to this family. Granny was such a blessing to have known in my life for a few short years, and my son Christopher CJ Franklin jrs. Granny was such a kind, sweet, caring soul. For this has happened far too soon, I wish you could've gotten to know CJ alot more then you did before God took you home. But now I know you'll be watching over him daily, not thousands of miles away anymore. May my thoughts and prayers go to Ashley, Cody, Chris and of course penny in this dark time. If needed, you all know I'm just a call away.
