“ *Dear Rice Family,  
It's so hard to put one thing down about Lois that you all don't know already...  
how kind, and funny she was. And Generous with her Time and Teaching Spirit when it came to Crafting or Sewing... she loved to go to JoAnne's Fabrics ... we'd spend hours in that store!!! LOL. Of course followed by a Frosty at Wendy's after!!  
She was the 1st person I met here in Carthage when moving here... we enjoyed many garage sales, many yard sales, and barn sales. She was and will always remain a positive influence in my life.  
Thank you for sharing her with me. She will be missed.*

“ I met sweet Lois less than 2 weeks ago when she bought something I was selling on Marketplace. We immediately started talking like we had known each other for years. She takes about her plans for quilts for her grandchildren, and great grandchildren yet to be born.....her sons and grandsons and grand daughter and how proud she was of them and especially the men her sons had become and how they fought for and took care of their children. She had such a big smile when she talked about her husband. She stated that he was a good man who was always there and was a good father to their boys. She mentioned her siblings and parents and especially her matchmaking plans for her sister. LOL  
She texted me on Monday to tell me her husband had called and banged up his foot. She asked how we were doing and said to take care of each other. Thinking of her makes me smile and wonder if I met an “angel unaware.”  
I was blessed to get to cross paths with her.  
HUGS and PRAYERS for the family.  
FLY HIGH AND REST SWEET LOIS!!!”
