“ *She was my mom's sister, I lost track of everyone 40 years ago. I couldn't remember where everyone lived.  
Today I was driving to a acting job, and googled my mom's sisters name.  
I knew it had been years, but we use to visit Lola and Walter when I was a kid.  
I use to enjoy so much seeing everyone, and eating breakfast with lola and Walter.  
Its been a lifetime ago, but they have crossed my mind many days and their family.  
We may have not seen each other in years, but still love everyone*
