“ Ms Marie was a second mother to me. Her two sons are like my brothers. She has ask me to love them and watch over them for her. I'm going to try as best I possibly can to help them in all things. The task is going to be tough one to carry out because they have special needs. My mother and I will do as she requested. From the time I was born until I graduated school I was blessed to be with her and I have lots of memories too numerous to share. In closing I know she is in a better place and has no more pain. I have a huge piece now missing in my heart. I will see her in heaven when my time comes. Keep the Faith!
