“ So very sorry, Harry and Susan's family. Susan meant a lot to many of us that met her online. I will always have the great memory of meeting Susan and Harry at the music jam in Texas. Over the years, I've talked to her many times on the phone. .she was such a caring person. .so sorry she had to go through her illness. She's out of pain now , and will always be in our memories.

“ Sending love, hugs, and prayers for Harry and the family (and friends as well) !! My heart goes out to all of you !! Although Susan and I lost touch as years passed, I thought of her often and she has and always will have a special place in my heart !! She was a wonderful and beautiful person, a dear and precious friend, and is now an Angel in God's hands !! May God bless you all and give you the strength and comfort needed during this time !! With all my love, Angie
