“ *What a wonderful gift of a family and it is with sadness to experience the loss of any of your siblings. Pat and Jane, I did not know Melinda but do feel for you at this time. I hope the love of Melinda will carry you through and in time, only precious memories will fill your emptiness. To the family, I send my deepest sorrow. The love of family is the highlight of my life and know it is also a sacred and valued gift in the Cowan family. It is difficult to put into words comforting messages but I have tried. Bless you all.*
