“ *Mr. William and Mrs. Nancy Bass, to the Parents of Baby Noah Bass and the entire Bass Family. My sincere and deepest condolences. It was very saddening to hear of the loss of your grandson when we spoke that week! In times like these, we as humans often time question God and we feel as though He doesn't love us or that He doesn't care. But He does! I just want to share this bible verse, in hopes that it will bring you some comfort, knowing that God is still right in your corner and on your team! Lamentations 3:19-33 (The Message) You see, God is currently present in your lives. Even in the midst of what may seem to be the Biggest Storm you've ever experienced! When the devil stirs up angry on the inside, just remember God is right there to be the Peace you need. God knows best! God has a great blessing in store for you all! Sending love and blessing from my family to yours, Clifton Kirkman Citibank-Processor Ann Arbor, MI*

“ Dear Brittany and Zach, My most sincere condolences on the loss of your son Noah. May this bible scriptures bring you comfort during this difficult time and bring you hope and peace. Revelation 21:3,4- With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” This wonderful bible hope is a future promise our Jehovah God will soon fulfilled in near future. A time where pain and suffering will be done away with and death and sorrow will be no more. May you find comfort in these verse knowing God has better things are in store for all mankind. Also, John 5:28,29 -"Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life" these verses speaks about a resurrection to life and a hope that God promises we will soon see our love ones we lost in death again. And since, God can not lie, we know these promises will come true very soon.
