“ Dear Billy and all of the family of Mrs Oleda,
We were so sorry to hear of Mrs. Oleda's passing. She was a real treasure to those who knew her. She has been and will always be a happy memory for my family. I remember meeting her as a child and how much my parents liked her. When my husband met her he too loved her as we did. Each year as we traveled to Gordonsville in June for the Turner reunion, she was one of the special people at the reunion we looked forward to seeing. She did a wonderful job in the preservation of our family history. I often wished I lived nearer her so I could visit more. She was a blessing to our lives.
Please express our deepest sympathy and love to all of your family.
Love,
Leota Mac Trapp and Frank Bennett

“ To Billy, Danny and Carol, I have fond memories of your mother. When I was in college and my parents lived in England, she made a special effort to include me in her family. I'll always remember that.
