I thought so much of Nurse Pat. She was funny, witty, yet understanding. I knew she was sick and i sympathize. I went through the same things with my dad. Prayers.

“ So sorry to hear about Nurse Pat, I worked with her at school and she taught me so many things about being a school nurse. She was my support when I was diagnosed with cancer and was always there for me. My favorite memory will always be Nurse Pat and I along with my daughter Bethany shopping at Lebanon outlet mall looking for back to school clothes, we always went a couple of weeks before school started back. We always had fun!! My thoughts and prayers for Spence and the rest of the family . I know she loved and cared deeply for you all!!

*My Deepest Sympathy,
Jenny Anderson*
