“ Marshall, I am so sorry to hear of your wife's passing. I just heard last night so it was too late to send flowers. Please know that you and your family will be in my prayers for peace and comfort. I still would like to get together sometime and write down some family history. I wanted to make it down their this fall but we just found out Mom has cancer in her sinuses so she's starting treatment next week. We talk to Betty about every week to try to keep up with what's going on. Take care of yourself. God Bless. Uncle Marshall's daughter, Janet

“ Rhoda Bell and Magaline were special friends of our family. Although we didn't know Peggy as well, we still remember the wonderful family. Heaven has gained another angel. Keep those precious memories close.
