“ You were a great man with kind heart! Paris and I will never forget you and you will always remain in our hearts. You taught us so much in the 7.5 years you were in our lives. I will always remember your stories of when you were younger, cutting your hair, cooking for you and most of all the time we shared together. You will continue to live thru the Elephant Ear plant you gave to me and I will keep it growing forver! Fly high with the angels, Mac!❤️❤️
