“ This dear lady will be truly missed by her church family at Walter Hill. She was a great example before all who knew her. She was a great support of all that is good in this life, especially her family. In spite of her health in recent times, she always seemed to have that beautiful smile. Thankfully, she is now at rest.

“ *I will miss Sister Pritchett, and I know that our church family will miss Sister Pritchett. She has been a wonderful example to us of a Christian wife and mother. We have all been amazed at what a good outlook she has had, what a joyful spirit, and how she has kept pushing despite her illness. We know that a lot of that is due to the love and care that Brother Pritchett and Sandy have put into taking care of her. One memory of her that I will always have is how proud she was of her family and the stories she shared with me.*
