“*Diann & family, it was so sad to hear of Sammy's passing. But the Bible tells us that our loss is heavens gain. I know the past couple of years have been very difficult for your family, but as long as I have known you, there's no doubt that your parents were given the most care and love as humanly possible. There's so many precious memories of times we've spent together throughout our lives. I can still hear him shouting happy at church and I will treasure that wonderful memory forever. I'll never be able to thank you enough for your help through the years and for sharing your beautiful parents with me. I am truly blessed to have you as a friend. My love goes out to each of you and I know that our God will guide and comfort you.*
