“ Angie was one of a special breed, feisty, strong, caring, empathetic, generous, and so loving. She would do anything to support her family and friends. I don't know why God took her home so quickly from me. I will cherish Angie for the rest of my days. I will always remember her and love her infinitely.

“ Angie will be missed. She kept us up-to-date on John's whereabouts, and her love for him shown thru her posts as a co-pilot or a woman in waiting for her husband to return safely home. Rest in peace Angie. Continued love and healing for her grieving family.
