“ We are so very sorry for your loss. Ma was like family. She always treated me like I was apart of her wonderful family. My heart is sad but knowing she is in heaven watching over me and everyone else is comforting. May your pain only be overcome by knowing she is in a better place than we are and we will all be able to see her again in time. Bless her and your family.

“ My heart felt prayers to my extended family. Aunt Sue took me under her wing when I joined the family in 1975. She was always there to listen to my fears and give me guidance and reassurance when I had my doubts. My first few years in Tn was spent in Temp Hall with her. My prayers are that God wraps his loving arms around her family and ease their pain and sorrow. Fly with the angels Aunt Sue and I'll see you when I arrive home.....
