“ *Serena and Josh I hate to hear about your grandmother she was a good friend to me and I thought a lot of her, she was always so upbeat and smiling about something she was a pleasure to work with also. Her pain is over she will be with the Lord soon and she can walk and run and be free.*

“ *Forty plus years as my best buddy. There is not nearly enough room for all the memories. We laughed and cried, but my greatest memory is what a strong person Sue always was. She raised her kids the best she could, and looking at the son she leaves behind proves what an amazing woman she was!! Fly high my friend. I will love and miss you forever.*
