“ *I am really going to miss our calls. Terry had a heart as big as her mom and dad's. I lived with them in Granville for a while. Terry and I would drive to Gordonsville to watch baseball...I think she liked someone who was playing. She was a great cousin.*

“ *What a dear dear friend we had in Terry Quarles! Her heart for helping others spoke very loudly! She has lovingly cared for my parents for the past 3 years & we are eternally grateful for her selfless service! She always spoke of her children & grandchildren showing pictures & sharing events. I know they were her life. In times of sudden & shocking tragedy there seem to be no words of adequate comfort. Our only comfort & hope is in Jesus Christ & the promise of a home in heaven for those who trust him. Terry would want us all to take her generous giving heart & pass it on to everyone we know! She would want us to tell others about Jesus her Savior! Blessings & prayers to her sweet family! Our family will be forever grateful. Hugh & Elsie Minchey family Ben & Patsy Glunt family*

“ I've known Terry for many years, as we are both Jackson Countians. I got to know her better through working with her Mother, Jo Clyde at Gainesboro Florist in the late 1980's. Terry was a kind and caring person, and friend to many. I last saw Terry in Lebanon, a few months ago, and we chatted and caught up, enjoyed a few laughs, and hugged one another before parting ways. You'll be missed. You made the world a better place. Mama Jo and Papa Pete have welcomed you home no doubt. Rest now my friend.
