“ Jimmy, Pat, Leigh and family. I wanted to send my sincerest condolences to all of you for the recent loss of Tonyann. When I married into the Walker family Tonyann and Leigh treated me with extreme kindness. She was a beautiful person both inside and out. May she Rest In Peace.

“ I am so sorry to hear about Tonyann and all of you have my deepest sympathy for your heartbreaking loss. Tonyann was so sweet to work with and such a good friend! She was there for me when my Mother passed away and thru so many other ups and downs she helped me out with.

One of the funniest memories I have of Tonyann was when she and Leigh came over to pick up an old upright freezer they had bought from me. They were determined it was going to fit in Leigh's little Pontiac Vibe, and it did, LOL - it wasn't pretty but they got it home! Mr. and Mrs. McGowan I never met you but I felt like I knew you from hearing about you from Tonyann. I want you both to know how proud she was of you both and she loved you so dearly. Josie and Hannah, I heard stories about you both growing up and met you a few times when you were up at work. She loved you both so much and was so very proud of you.

Sincerely,
Charlotte Nokes
