“ *Ahhh the memories--so many!! There were some scary ones in the old station wagon and all of his bass boats, but all good ones. Met Walt more than 40 years ago when he was a temporary Northerner and I will never forget him. I will always remember the hour-long phone conversations (at all hours), the Macedon and Tennessee home visits, and all the fishing experiences. There many "normal" ones, but there were also the tournaments in thunder and lightning storms, pre-fishing for a Percy Priest tournament in 21 degrees, fishing in the dark, and fishing in December with ice on the deck so bad we couldn't stand up. Walt will be missed by many--including me, Chuck McDonnell,*
